St. Louis, MO 63103

Re: 83 Ill. Adm. Code 451; Section 16-115 of the Public Utilities Act

To Whom It May Concern:

Pursuant to the above-referenced provision, Illinois Power Energy, Inc. ("IPE") hereby submits notice of its intention to seek additional authority to provide electric service to customers with an annual electric consumption greater than 15,000 kWh in all service territories in the State of Illinois.

This correspondence serves as official notification that IPE may, at some point in time, provide service to customers in AmerenUE's service area, subsequent to receiving certification to provide this expanded service from the Illinois Commerce Commission.

Sincerely,

Louis J. Dorey
President, Illinois Power Energy, Inc.
